Joseph S. Coselli

Department of Surgery,
Division of Cardiothoracic
Surgery at Baylor College of
Medicine, Houston

Joseph S. Coselli is a world-renowned cardiothoracic surgeon and a leading authority on complex aortic surgery. He is Professor of Surgery, Executive Vice Chair, Michael E. DeBakey Department of Surgery and former Chief of the Division of Cardiothoracic Surgery at Baylor College of Medicine, where he has shaped four decades of innovation and training in Houston's historic heart centers. He has published over 600 papers and serves several international societies as a member. He was also President of the AATS and STSA.
